WORK EXPERIENCE

WayForward Technologies   Nov. 2019 – Present
Full Stack Game Developer   *Remote*
- WayForward Technologies is a popular independent video game developer known for its work on various high-profile games.
- Led development of 'Jeopardy! PlayShow'.
  - Handled networking, UI, DLC, achievements, analytics, and console ports.
  - Integrated a React companion app, IBM Watson, Node/Socket.io, Azure services, and PlayFab services.
- Worked on the CrunchyRoll mobile port team
  - Handled networking, UI, DLC, achievements, analytics, and console ports.
  - Integrated a React companion app, IBM Watson, Node/Socket.io, Azure services, and PlayFab services.
- Worked on the CrunchyRoll mobile port team
  - Contributed to the mobile port of *RWBY: Arrowfell*, ensuring smooth performance and feature parity across platforms, including optimization for both iOS and Android.
  - Own and maintain *River City Girls: Mobile*, overseeing updates and improvements based on player and client feedback to enhance overall game experience.
  - Contributed to the mobile port of *River City Girls 2*, focusing on gameplay enhancements, bug fixes, and performance optimization. Worked closely with the team to deliver a seamless experience across multiple platforms while ensuring engaging combat mechanics and a polished user interface.
- Worked on the development team for *Advance Wars* 1+2: Re-Boot Camp
  - Collaborated on the multiplayer and networking team, focusing on optimizing multiplayer menus, refining UI/UX, and enhancing gameplay experiences.
- Developed and maintained full-stack applications for various gaming projects.

College of the Canyons   Dec. 2016 – Nov, 2019
Lead Computer Science Tutor   *Santa Clarita, CA*
- College of the Canyons is a comprehensive community college that offers a wide range of academic programs and services.
- Tutored students in computer science, covering topics such as algorithms, data structures, and programming languages.
- Led group study sessions and provided one-on-one tutoring to enhance student understanding.
